

God's Creative Method

The Scriptures are clear about the method which God used to Create. He **SPOKE** and things came into being.

God created first **POWER** and **MATERIAL** called **LIGHT** and then the details **ALL** of which he upholds by his **POWERFUL WORD**.

But we now live in a fallen world! When people examine earthly things today they are looking at God's **MAINTENANCE METHOD** in a **FALLEN WORLD/UNIVERSE** not the original six day process.
